

## Welcome to the 59ers – Where Tradition Meets the Future of Hockey!

The 59ers are ready to redefine hometown hockey! Our organization is built on the pillars of **hard work, dedication, character, and pride**—values that have shaped our communities and continue to inspire the next generation of players. Hockey has a rich history in our small towns, producing talented athletes who developed their love for the game right here. Now, it’s our time to carry that legacy forward with excellence and unwavering commitment.

We are more than just a hockey program—we are a **community**. Our mission is to provide a **high-quality hockey experience at affordable prices**, ensuring that every child has the opportunity to play, grow, and succeed. While we offer additional development programs such as power skating, goalie training, and dryland conditioning, participation in these is completely optional. Families can choose what works best for them without unnecessary financial burdens.

### Consistency & Community Focus

We understand the importance of routine, which is why we strive to maintain **consistent game and practice schedules**. Our **Local League (LL) programs** will continue operating out of their home rinks in **Norwich and Delhi**, while our **Rep teams** will utilize multiple rinks (**Norwich, Delhi and Langton**) for practices and competition. Additionally, we are excited to introduce a rotating “**Rep Night**” between Delhi and Norwich, bringing our community together to support our teams!

### Registration & Rep Fees (2025-26 Season)

Level	Base Registration	Rep Fee

We believe in transparency when it comes to costs. Below is a breakdown of our base registration and Rep fees:

- **Goalies receive FREE development** (the goal is to be offered at least once or twice every two weeks).
- **Multi-Player Discount:** Families registering more than two players will receive a **\$150 discount** on the base registration per child for the third child and beyond.
- **Rep Tryout Fee: \$60** (to be held at Langton Arena on designated OMHA tryout dates). This includes 3 evaluation skates. If you are not successful in the “A” tryout, this fee will also cover the “B” tryout in the fall.

## What’s Included in Your Fees?

We are committed to making hockey as accessible as possible.

- **Jerseys are provided** for the season (no mandatory purchases required, though custom jerseys are available for those individuals or teams interested).
- **Rep fees** cover extra ice time and referee costs.
- Our goal is to provide **2-2.5 hours of practice ice per week for representative teams**, in addition to games.
- **OMHA/OHF Tournament Fee and International Silver Stick** – if your team advances to the International Silver Stick, Half of your registration is covered. If they make it to the OMHA Finals tournament or OHF, the full tournament fee is covered.
- **Top-notch coaching staff** dedicated to fostering both skill development and a love for the game.

## Building a Strong Future Together

As we embark on this exciting new chapter, we want to ensure that we create a **competitive, supportive, and inspiring** environment for all players. With evolving league structures, we are focused on forming **Major A and B teams from U11 to U18**, while remaining flexible based on registration numbers and skill (ultimately decided by our executive) to provide **Minor A teams as well**. Our goal is simple: **build competitive teams, develop talent, and ignite a passion for hockey that lasts a lifetime**.

## The 59ers Community!

This organization is only possible because of **our incredible players, parents, volunteers, and sponsors**. Your support is the backbone of our success, and together, we are shaping the future of hockey in our communities.

If you’re ready to be part of something special, **lace up your skates and join us**—the 59ers are just getting started!

**See you at the rink!**
